

REMARKS/ARGUMENTS

Supplemental to the Amendment mailed October 24, 2008, in response to the Advisory Action of November 13, 2008 and following my telephone discussion concerning the allowability of claims 1-6 and 9-13 and the continued rejection of claims 15-19, with Examiner Sanchez, rejected claims 15-19 have been canceled and withdrawn claims 7, 8 and 14 have been canceled without prejudice to filing of a divisional application.

Accordingly, the claims remaining in the application are the claims 1-6 and 9-13, which are no longer rejected according to the Advisory Action and the telephone discussion between the undersigned and the Examiner. Allowance of the application with those claims is requested.

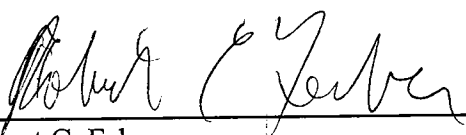

As Applicant has canceled the rejected and withdrawn claims and retained only the claims which the Examiner indicates are allowable, entry of this amendment after Final Office Action is requested.

According to the interview between the undersigned and the Examiner, no Request for Continued Examination has been filed. However, an Extension of Time to respond to the Final Office Action has been filed, with a second month Extension requested, as a first month extension was earlier requested.

Respectfully submitted,

THIS CORRESPONDENCE IS BEING
